- Alcohol

DINING OPTIONS

Havener
Zatar
Food Court
Rustic Range
Mondo Subs
Einstein Bros Bagels

Library
Starbucks at Miner Break Café

Thomas Jefferson
Buffet Style Dining Hall

Miner Village
Miner Munchies
CHECK IN PROCESS

1. Halls will be open 9AM until 3PM, August 13 (Freshman), August 20 (Returning and Transfer)
2. Make sure you have your meningococcal vaccination papers with you or on file with Student Health. Students WILL NOT be able to move-in until compliant.
3. Students will need to proceed to the check-in station at the building they have been assigned to.
4. Follow the procedures at the check-in stations to receive your room key and fill out the necessary protocols.
5. Meet your RA at your room for inventory.
6. Start unpacking and enjoy your time in the residence halls!

MOVE-IN DAY TIPS

- Parents, siblings, and friends: you can start unloading items to your students rooms while they’re going through the check-in process.
- Visit it.mst.edu for info on how to register your smart phones and laptops and connect to WiFi after arrival to S&T
- Carts are available for check out, however, we suggest you bring a cart or dolly for unloading as these are limited during high volume times.
- Loft kits are provided for check-out ONE WEEK AFTER move-in.
- If you have a bicycle, don’t forget to register it during the check-in process.
EARLY ARRIVAL

Students may not move into the halls until their approved arrival date. If they are involved in special programs such as Athletics, PRO, Band, etc, they will need to fill out the Early Arrival Form. This form must be completed at least one week prior to arrival on campus and may be found on the home page of reslife.mst.edu

IMMUNIZATIONS

In order to live in university-approved housing, a student must have received a meningococcal vaccine. Students who have a medical or religious issue and wish to seek an exemption of the requirement will need to apply for a waiver and have that approved by Student Health Services. Students will NOT be able to move in the residence hall until proof of the meningitis vaccination has been received and evaluated by Student Health OR a request for a waiver has been submitted and approved.

PARKING

Parking will not be allowed in the unloading zones. Please keep in mind that many residents will be unloading and moving in at the same time. If students are bringing multiple vehicles, they should check-in first while the loaded vehicle finds a space in the unloading zone near the hall. Other vehicles should park in designated parking areas.
POLICIES

The Residence Hall Guide is the official handbook for residential life housing. It includes all the rules and regulations for living in the residence halls, as well as important information about campus resources. The guide can be found HERE on the Residential Life website at reslife.mst.edu. Students are responsible for making sure they reading through the Residence Hall Guide.

KEYS

A students room key allows them to gain access to the buildings in their complex after the doors are locked and also, gives students access to their room and suite (if applicable). If a student looses their room key, they must report the loss to the front desk immediately. Under no circumstances may a residence hall room key be duplicated.

GENERAL SAFETY

Here are a few ways to ensure safety of yourself and your belongings while in the Residence halls:

- Always lock your door
- Keep a detailed list of itemized valuables, including brand, model, and serial numbers
- Walk with a friend at night
- Always have a cell phone

DON’T FORGET!

Visit alert.mst.edu to register with the Emergency Response System to receive mass notifications about threat of physical harm, weather-related situations, and other emergencies.

If for any reason a student feels the need for an escort from campus to their residence hall, call Missouri S&TPD for an officer to be dispatched to their location.
