MyHousing

Why can’t I register for a room?
If you are unable to pick a room, it may be due to one of the following reasons:

• It is not yet your selection time. Check the schedule before proceeding.
• Someone requesting you as a roommate. To check pending requests, go to MyHousing and select Room Selection then Roommates/Suitemates. Enter “Fall 2019” for the term and you should see any incoming requests. You will either want to accept their request so you can find a room together, or deny the request and choose a room for yourself.

If you are still having issues choosing a room, contact the Residential Life main office.

Selecting a Room

What if I can’t see the room I want for next year?
This likely means the room is not available; either it’s been selected before you, or is not a room that we have designated as available for returning students.

How will I know my selection went through? Will I receive confirmation?
You will receive an e-mail to your S&T e-mail account, and you will see the room selection you have made on your MyHousing home screen.

Roommates

I want my same room, and I want to pick my roommate. Can I do that?
No, picking your same room is an individual decision. Once same room sign up has completed and open room sign up has started, your preferred roommate can select your room if it is still available.

How do I select a roommate or suitemate?
After logging into MyHousing, select Room and Roommate Selection, then Roommates and Suitemates. For best results, enter your preferred roommate’s name or email address and select Begin Search. Select the correct student from the list. Your selected roommate will receive a confirmation email that they have been selected by you.

If someone has selected you as a roommate/suitemate you will also need to log in and accept this request for the match to be complete.

Communication

How will Residential Life communicate with students?
Residential Life will be using reslife.mst.edu and your Missouri S&T e-mail. Please check your e-mail regularly, and do not ignore messages from Residential Life.

How will I know if my Living Learning Community or UC Large Group application was approved?
Residential Life will contact you with the status of your application prior to the beginning of same room sign up.

Meal Plans

When will my meal plan be assigned?
You will pick your own meal plan after you select a room. If you don’t choose a meal plan, and are required to have one, you will be assigned Meal Plan #3.

Who can select the partial Meal Plan #5?
Students eligible for meal plan 5 are any of the following:

• Students living in, Farrar Co-ops, Miner Village, Rolla Suites or University Commons.
• Students classified as juniors, seniors, or graduate students.
• Students 21 years of age or older.
What if I don't have a roommate preference?
That’s fine, but a roommate will be placed with you. Your roommate will be either a fellow returning resident, or an incoming freshman or transfer student.

Special Living Communities and Situations

How do I apply for the honors housing?
Students that are selected for Missouri S&T’s Honors Academy will be eligible for the Honors Housing LLC. You will want to apply to live in the Honors Living Learning Community by the deadline noted on the Reapplication timeline. You can find a link to the application on the reapplication website.

What if I change my mind and want to live off-campus?
If you are eligible to live off campus, you may cancel your room assignment and meal plan by e-mail at reslife@mst.edu. Cancellation penalties will be applied after June 1st. It is important that you double check your eligibility to live off campus before signing a lease off campus. More information about eligibility can be found as part of our residence life housing policy found at https://reslife.mst.edu/resourcesandforms/.

What if I want to live with a member of the opposite sex?
There are mixed gender floors in TJ, and all floors in RC, UC, and Rolla Suites are mixed gender. In Miner Village we offer gender inclusive housing where 2 or 4 people of any gender can live in the same apartment. The following rules pertain to this gender inclusive housing:

- Students wishing to live in gender inclusive apartments in these buildings will need to come to the Residential Life Office prior to their assignment time and complete a mixed gender agreement.
- The number of students per agreement must fill either a 2 or 4 bedroom apartment.
- You will be hand assigned by the Residential Life staff during your assignment time period.
- We can process these requests at any time, however it is subject to space availability. The sooner this agreement is turned in, the more likely we will be able to accommodate your request. We will be most likely to accommodate your request if the agreement is completed by March 6th.

ADDITIONAL INFORMATION

I’m having trouble logging in to the system. What do I do?
First, clear your cache and cookies and restart your browser. If that does not help, e-mail Residential Life at reslife@mst.edu. Let us know what browser (include version) you are using, if you have tried more than one browser and if you have tried more than one computer.

I have chosen my room, how do I request parking?
Students must either renew their current permit or sign up on the waiting list in order to receive a parking permit. You can sign up for the waiting list at any time during the year. For more information about parking, or to sign up for a parking permit visit https://police.mst.edu/parking/.

- Please note that all students, no matter what residence hall they choose, are responsible for paying for their parking permit. When you pick up your permit from the Parking Operations Office, you will have the option to have the cost of the permit billed to your Student Account, or you may pay with Cash, Debit, or Credit Card.
