

MISSOURI S&T

University Approved Housing Requirement

Undergraduate students attending Missouri S&T are required to live in university approved housing until one of the following requirements are met:

1. Student completes four semesters living in University Approved Housing.
2. Student completes 60 credit hours of academic work post high school graduation.
3. Student will be 21 years of age prior to the first day of classes for the semester.

Exemptions to the University Approved Housing policy will be granted to students who can demonstrate that they qualify under one of the following conditions:

1. Student is a military veteran with two years of full-time, active military service.
2. Student is married.
3. Student is a parent or legal guardian with one or more dependent children in their custody.
4. Student is enrolled in eight or fewer credit hours.
5. Student will reside with immediate family including a parent, legal guardian, grandparent or sibling over the age of 21 who has permanent residency within a 30-mile radius.
6. Student has completed three semesters living in University Approved housing AND has completed at least one semester of a full-time co-op, or study abroad program.

Exemptions to the University Approved Housing Policy will be considered for students who can demonstrate they meet the following criteria:

7. Student has a documented health need or consideration which cannot be accommodated in the university residence halls.
8. Student has completed two full-time consecutive semesters totaling 32 hours of academic work at Missouri S&T, AND has at least a 3.5 campus gpa each semester, AND can demonstrate significant and active campus participation in a recognized student organization or significant experiential learning experience; AND has not received a sanction of probation, dismissal or suspension related to a violation of the University of Missouri Collected Rules and Regulations.

Please see exemption request form located at reslife.mst.edu for details on documentation needed for consideration of exemptions.
